

Welcome to the Team Nottingham!

What We Are Asking Of You...

Please initial the box next to each statement below if you agree to do your best with the following:

	Respect those giving you instruction. Respect those you are working with.
	Respect your parents and other adults.
	Respect those in the ring with you. Respect the space of others.
	Respect the need for confidentiality.
	Are you noticing a trend here????? RESPECT....that's the key!
	Cell phones, ipods, etc. are to be off or on silent during ring time. 30 minutes prior to ring time you should not be using your phone. You need to be focusing on your dog and what is going on in the ring.
	LANGUAGE...No bad or questionable language...If you wouldn't say it in front of your pastor, then don't say it.
	Get your dog ready for the show. The "grunt" work....preparing for show, grooming, exercising. Be willing and ready to help where there is a need.
	Facebook, Twitter, Instagram, etc. no bad language or sexually explicit posts are to be made. How you act, what you do or say can reflect back on us here at Nottingham Poms.
	Work with your dog throughout the week.
	Be open and honest, want to know something, don't be afraid to ask.
	COMMUNICATION...we will support your showing/handling of other dogs. All we ask is that the communication between us remain open. When planning to attend shows together it is going to be important in our planning to know we have a backup in the event you can't make it to our ring.

What We Will Offer You...

	Respect. There's that word again! We promise to treat you with respect and courtesy just as we are asking of you.
	Mentoring...on breeding, showing, grooming, handling, etc. As long as you show respect for us and our breeding program, we will gladly offer to share our experiences and all that has been passed on to us through years of mentorship.
	Opportunity to handle our Poms and other dogs as opportunities arise.
	Opportunity for traveling to shows locally and out of state.
